The Director, Central Intelligence

Washington, D.C. 20505

23 December 1983

General John W. Vessey, Jr.
Chairman, Joint Chiefs of Staff
2E 873, The Pentagon
Washington, D.C. 20301

Dear Jack,

Your letter expressing the view that available evidence does not support a Syrian role in Druze fire beyond logistical and advisory support came in as I received the attached memo [redacted]

[redacted] holding the opinion that there is Syrian participation in artillery fire on the Marines.

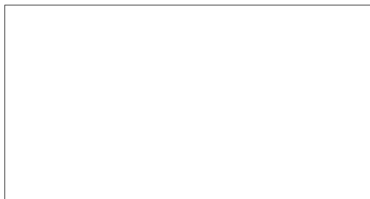

25X1
25X1

Yours,

William J. Casey
